- a. Intern position available! Email dance4kids@iotaphi.org.
 - i. D4K is an event that was created by members of Alpha Phi Omega and it provides a semi-formal dance for teenagers with special needs in Yolo & Sacramento counties. Many of these teens don't have the opportunity to attend a prom or other formal event that other students do. This event also gives teens the opportunity to interact with persons their age in a safe environment. The evening begins with dinner prepared by one of our own volunteers. There are also multiple acts and forms of entertainment to accompany dinner followed by the most fun part: dancing!
 - ii. PNO is an evening dedicated to the kids and teens with special needs in the Yolo and Sacramento County area. This evening gives the parents and caregivers of the kids and teens a night of relaxation, so we get to spend a few hours of the evening getting to know them by playing games, doing arts and crafts, watching films, and dancing!
- b. Jane Pak (current coordinator) will be graduating & leaving Davis soon so we need someone to take the position for these two events!
