

Active Roundtable (4/18/12) – Membership Retention

- Actives don't come out after pledging (Intentions for pledging?)
- IC's not wildcard-able → Incentives to go to outer IC's

Family Events

- More family events before pledges, and after secret week.
- Good, because it gets people to come back, but could be divisive.

Picking up

- Requirements for picking up becoming stricter (Certain number of hours and events)

Fellowships and Fellowboats

- People sign up with friends or line → cap by pledge class or families?
- More themed fellowboats (Arc, Jam sessions, laser tag, game nights at Avalon lounge, Fall poker tournament, smores night)
- More sectionwide IC events (such as a fall poker tournament)
- IC Fellowboats
- **BARF Points:** *Bring A Real Friend*
