Pet peeves?

Are you full of energy?

- a. Always
- b. Usually
- c. Sometimes
- d. What...was...that? (yawn) Did you say...something?

What does your bedroom look like?

- a. Laundry, papers, magazines and boxes – you might have seen a patch of the floor last October...Oops! One of your Playboys is out, better hide it before the guests come!
- b. Neat as a pin. Your belongings are well-organized, your space is uncluttered – Martha Stewart could never organize her empty prison cell as well as you.
- c. It's pretty ordinary – just like anyone else's room; the usual furniture and some personal touches. Like the drugs you buy when you're sick, you're generic!
- d. It's got only the basics – bed, dresser, and desk. You don't spend much time in there, you're always out and about, a true gigolo always on the go.

Do you like to shake it?

- a. Shiet! I taught that punk Wade Robson everything he know!! Michael Jackson? Please. From the **ocho-ocho** to the **booty-scoop**, I do it all!
- b. If the atmosphere's good, I've been known to dip it low, one-two step, get my eagle on and get retarded with the best of them!
- c. Only if my friends drag me out to the dance floor, and refuse to take me home if I don't.
- d. I stick to walls better than Spider-Man.
