Iota Phi Chapter

LFS Spotlight of the Week

FELLOWSHIP: IC Bay Area Hangout

Friday 03/29/13

It was extremely fun. Ice breakers were helpful to get people to break out of their shell. There were hundreds of IC brothers. I enjoyed seeing many familiar faces from many other chapters, even some from SoCal, as well as meeting a whole bunch of people I never met before. It was really nice to walk down blocks of SF and seeing so many fellow brothers. It was relaxing going to the beach and Union Square with good company for the end of Spring Break.
