LFS Spotlight of the Week

Interview with Clinton Lam

Service: Dance 4 Kids

Saturday 05/11/13

This was the first D4K I volunteered for, and I believe the event was a huge success. Teenagers with special needs usually do not have the opportunity to attend a semi-formal dance like this, and I am glad I was able to help make this a reality for them. After seeing how much fun they had, I would definitely like to come back next year to volunteer for D4K again.
