ALPHA PHI OMEGA

National Bylaws

Adopted by the National Constitutional Convention of 1967
As amended through the 2010 National Convention

ARTICLE I – NAME

The name of this fraternity shall be ALPHA PHI OMEGA.

ARTICLE II – PURPOSE

The purpose of this fraternity shall be to assemble college students in a national service fraternity in the fellowship of principles derived from the Scout Oath and Law of the Boy Scouts of America; to develop leadership, to promote friendship, and to provide service to humanity; and to further the freedom that is our national, educational and intellectual heritage.

ARTICLE III - MEMBERSHIP

SECTION 1. OPEN MEMBERSHIP. Membership in Alpha Phi Omega shall be open to all students, upon the approval of the respective chapter and after fulfilling the membership requirements prescribed by the National Fraternity and by that chapter. Without gender implication, all initiated members of the organization are known nationally as brothers of the Fraternity.

SECTION 2. TYPES AND CONDITIONS OF MEMBERSHIP.

(1) PLEDGE MEMBERSHIP. Pledge membership shall be conferred upon enrolled students of an institution of higher education at which a chapter of Alpha Phi Omega is located who are selected by that chapter to participate in a period of preparation and training in the ideals and purposes of Alpha Phi Omega. The Pledge Ceremony shall be according to the Official Ritual of the Fraternity. The content and duration of the preparatory period are to be determined by the chapter in so far as these matters do not conflict with the Articles of Incorporation and Bylaws or operating policies of the National Fraternity. Pledge membership shall be held until the student participates in the Initiation Ritual of the Fraternity or ceases pledging by not completing the pledge program during the time specified by the chapter.

(2) ACTIVE MEMBERSHIP. Active membership shall be conferred upon

enrolled students who are in the fellowship of the principles of Alpha Phi Omega; who, to the satisfaction of their chapter, are so oriented; who have successfully completed a membership education program structured in accordance with the guidelines established in the National Pledging Standards and the membership policies of the Fraternity; and who are encouraged, but not required, by their chapter to be a registered member of any Scout or youth service organization. Initiation shall be according to the Official Ritual of the Fraternity. Active membership shall carry all rights and responsibilities in the chapter, except that the individual chapters may determine the degree of participation of members in graduate or professional school. Active membership shall be continued so long as the member remains in good standing with the chapter and continues enrollment in the institution. Active membership may be transferred from one chapter to another if the member transfers institutional enrollment, provided that the new chapter accepts the member as an active member, and that the new member completes the necessary forms and sees that they are forwarded to the National Office. Individuals who hold alumni membership may be reinstated to active membership in accordance with any provisions adopted by the chapter. The chapter shall notify the National Office of the change in membership status and transmit to the National Office the Active Membership Reinstatement Fee as defined in Article VIII, Section 13. When these bylaws refer to the terms "active member", "active members", or "active membership", those terms have the meaning as set forth in this section.

(3) ASSOCIATE MEMBERSHIP. Associate membership may be conferred upon active members who find it necessary to cease full involvement in chapter affairs, because of other commitments of time and effort, and who petition the chapter for associate membership. Procedures for conferring such status, for reinstatement of active status, and rights and responsibilities of associate members are left to the discretion of the chapter.

(4) ADVISORY MEMBERSHIP. Advisory membership may be conferred upon persons approved by the chapter to serve on the advisory committee and whose chapter has completed the necessary forms and submitted them to the National Office. Those advisory members who have not previously held active or advisory membership shall be initiated according to the official Initiation Ritual of the Fraternity. Advisory members shall have all rights and privileges of active membership except those of voting, directing the supervision of pledges, and directing the establishment of pledge or active membership

programs and policies. The only chapter office advisory committee members can hold is the office of the chair of the advisory committee. Such membership may not be conferred upon undergraduate students.

(5) HONORARY MEMBERSHIP. Honorary membership may be conferred by any chapter, petitioning group upon charter approval, or the National Board of Directors, upon persons who have contributed significantly to the ideals and purposes of Alpha Phi Omega. Persons so honored shall have all rights and privileges of active membership, except those of voting and holding office. Honorary membership shall not be bestowed upon undergraduate students, except for documented petitioning members who left school within two months of the chartering date, or students at institutions where extension efforts would be allowed by the Fraternity but cannot be attempted due to institutional regulations. Granting honorary membership under these exceptions requires the approval of the Membership and Extension Director.

Selection of honorary members by a chapter shall require the approval by vote of at least three-fourths of the chapter's active members.

Selection of honorary members by a petitioning group shall require the approval by vote of at least three-fourths of the petitioning group membership and shall be recognized upon charter approval, with the honorary members included as chartering members.

Selection of national honorary members shall require the approval by vote of three-fourths of the membership of the National Board of Directors.

(6) SOCIETY OF LIFE MEMBERSHIP. Any active, advisory, honorary or alumni member who contributes to the Alpha Phi Omega Endowment Fund an amount as specified in Article VIII, Section 7 shall be enrolled into the Society of Life Members. If requested, Society Members shall receive a free subscription to the Fraternity magazine, renewable at no cost every five years.

(7) ALUMNI MEMBERSHIP. Upon leaving their respective academic institution as a result of graduation or termination of student status or university employment, all who have held active, associate, advisory or honorary membership in a chapter and who have not been suspended or expelled by that chapter or the National Fraternity, shall be recognized as alumni members.

(8) PETITIONING MEMBERSHIP. Petitioning membership shall be conferred upon enrolled students of an institution of higher education in which a petitioning group of Alpha Phi Omega is located and upon selection by the petitioning group to participate in the establishment of a chapter of

Alpha Phi Omega. Petitioning membership shall be conferred once those enrolled students participate in the petitioning ceremony as established by the Fraternity. Petitioning membership shall be held until the student participates in the Initiation Ritual of the Fraternity or ceases petitioning.

(9) SUSPENDED MEMBERSHIP. A member who has been suspended by a chapter and/or the National Board of Directors shall be considered to have suspended membership. A member who has been suspended by a chapter has no rights in the chapter, except for those provided within that chapter's bylaws or these bylaws, if any. A member who has been suspended by the National Board of Directors has no rights in any chapter or the National Fraternity other than those provided for in these bylaws, if any.

(10) INACTIVE MEMBERSHIP. A member who leaves his or her chapter but remains a member of the academic institution and who has not been suspended by the chapter or the Fraternity shall be an inactive member. An inactive member has no rights or responsibilities in the chapter except for those provided within that chapter's bylaws. Chapters shall decide whether or not inactive members may return to active membership in their respective chapters, and the conditions on which an inactive member may do so. Those conditions must be in compliance with these bylaws and the policies and governing documents of the Fraternity.

(11) SUSPENSION OF CHAPTER MEMBERSHIP. Upon the suspension of a member by a chapter, the chapter may, at its discretion, petition the National Board of Directors for a letter of suspension to be affixed to the individual's membership record.

(12) NATIONAL SUSPENSION AND/OR EXPULSION OF MEMBERS AND OFFICERS. Any member of this fraternity may be suspended or expelled. The National Board of Directors, for just cause and after due deliberation, by a two-thirds vote thereof, may suspend a member of the Fraternity until the next National Convention and may recommend to that convention that such member be expelled. The suspension of such member shall terminate at the end of the last day of this convention, unless the convention has taken specific action against the member. The National Convention can expel any member from the Fraternity by an affirmative vote of two-thirds of the votes of the registered delegates present and voting, and such expelled member cannot be eligible for subsequent pledge, active, associate, advisory, honorary, life, petitioning, or alumni membership in Alpha Phi Omega, unless two-thirds of the registered delegates present and voting at a National Convention approve.

SECTION 3. RESIGNATION OF MEMBERSHIP. Members of the Fraternity may resign their membership at any time. Their resignation must be in writing, addressed to the National Executive Director, and notarized. The correspondence should include any necessary identifying information such as chapter and member number; upon receipt of this letter, the chapter shall be notified. Unlike members who have been expelled as described in Subsection 12 of this article, members who have chosen to resign may be eligible for subsequent pledge, advisory, or honorary membership if they meet the other requirements for eligibility for these membership types.

ARTICLE IV - NATIONAL CONVENTIONS

SECTION 1. MEMBERSHIP. The supreme authority of the Fraternity, consistent with the provisions of the Bylaws, shall be vested in the National Convention composed of the members of the National Board of Directors, the sectional chairs or designees, two delegates from each chapter who shall be active members or chapter advisors, one alumni voting delegate from each region, and two delegates from each petitioning group who shall be petitioning members or petitioning group advisors. An advisor may only serve as a delegate if no active or petitioning members from the chapter or petitioning group are registered at the Convention. Other members of the Fraternity and guests may observe but may not participate in floor debate. Members and guests who have not been initiated shall not be allowed to observe debate over rituals.

In the case that a sectional chair cannot be in attendance at the National Convention, the sectional chair may designate a replacement, with approval of their regional director, to serve in the sectional chair's place. This shall be done in accordance with the procedures contained in the Fraternity Operations and Policy Manual.

SECTION 2. VOTING POWER. Each chapter in good standing represented at a National Convention shall have two votes. If a chapter has only one delegate registered, that delegate shall have the power to cast both votes. Each voting member of the National Board of Directors and each alumni voting delegate registered at a National Convention shall have only one vote. Non-voting members of the National Board of Directors, sectional chairs, or their designees, delegates from chapters not in good standing but represented at a National Convention, and delegates from petitioning groups shall be entitled to all privileges of delegates from chapters in good standing, with the exception of voting.

SECTION 3. QUORUM. A quorum to do business shall consist of two-thirds of the registered delegates entitled to vote.

SECTION 4. VOTE REQUIRED TO ADOPT A MEASURE. Except as otherwise provided for in these bylaws, a simple majority of the votes cast shall be necessary to adopt a measure.

SECTION 5. PARLIAMENTARY AUTHORITY. The rules contained in Robert's Rules of Order, Newly Revised, shall govern all meetings of the National Convention in all cases to which they are applicable and in which they are not inconsistent with these Bylaws and any special rules of order the convention may adopt.

SECTION 6. POWERS AND DUTIES OF THE NATIONAL CONVENTION.
The National Convention shall have:

The power to elect officers and members of the National Board of Directors as herein prescribed.

The sole power to impose and modify national fees and assessments on chapters, charter petitioning groups, members and pledges.

The time and place for each convention shall be brought as a motion by a reference committee and presented for ratification by the delegates in accordance with the rotation schedule contained in the Fraternity Operations and Policy Manual.

All bids for proposed sites for National Conventions shall be submitted in writing to the National Executive Director no later than July 1 of the year of the National Convention at which the bid will be presented; only those bids which

meet the Fraternity's minimum prescribed criteria shall be submitted by the National Executive Director to the chapters and the Board of Directors at least eighty (80) days before the first legislative session of the next convention.

In the event that, between the time of the National Convention and the time of the negotiation of a contract with a hotel in the chosen host city, an agreeable contract cannot be made, the National Board of Directors will have the option of choosing a substitute host city from among those cities which submitted bids at the National Convention. If no other cities submitted bids, then the National Board of Directors will have the option of choosing any city within the same convention area.

SECTION 8. REFERENCE COMMITTEES. The National President may establish reference committees to consider proposals submitted per Article XIII or to evaluate and report to the National Convention on the programs or other business of the Fraternity. Each reference committee shall consist of one active member serving as a voting delegate from each region and a chair who shall be an active member serving as a voting delegate from any region. The members of each reference committee will be selected by the National President after consultation with the regional directors. The National President may also appoint one or more advisors to each reference committee.

Special meetings may be called by the Executive Committee of the National Board of Directors or by petition of a majority of the elected members of the National Board of Directors. The time and place of all regularly scheduled Board meetings shall be determined by the National Board of Directors. Regular and special meetings of the National Board of Directors may take place in person or by teleconference. A meeting by teleconference does not preclude the National Board of Directors from taking any action that could take if the meeting had been in person. Notice for regular meetings of the National Board of Directors must be provided no later than thirty (30) days prior to the meeting. Notice for special meetings of the National Board of Directors must be provided no later than thirty (30) days prior to the meeting if the Board is meeting in person, or forty-eight (48) hours prior to the meeting if the Board is meeting by teleconference. Life Members of the National Executive Board as of February 29, 1968, shall retain Life Membership on the National Board of Directors.

SECTION 8. BOARD VACANCIES. Any member of the Board may resign from the Board by submitting a letter to the National Executive Director. Such resignation by a Past National President or Life Member of the Board shall not constitute a Board vacancy. Vacancies occurring among currently elected members of the Board shall be filled by vote of the remaining members of the Board until the next National Convention. Any person selected to fill a vacancy shall meet the eligibility requirements prescribed in these Bylaws for the predecessor.

SECTION 9. IMPEACHMENT. Members of the National Board of Directors and other elected officials of the National Fraternity may be impeached for nonfeasance, misconduct or malfeasance in office. Charges shall be submitted in writing to the National Board of Directors. The National Board of Directors shall investigate and hear the charges. If two-thirds of the members of the National Board of Directors present and voting sustain the charges, the official shall be removed from office. Those who have been impeached and removed from office shall not be eligible to serve on the National Board of Directors as a Past National President or Life Member of the Board unless they are reinstated by a two-thirds vote of the National Convention.

The National Board of Directors may impose any lesser penalty or take other appropriate action in lieu of impeachment where deemed warranted. Actions constituting formal discipline, such as censure or reprimand, shall require the approval of two-thirds of those members present and voting.

ARTICLE VII - NATIONAL COMMITTEES

SECTION 1. APPOINTMENT OF COMMITTEES. The unlawful possession, sale and/or use of any illegal drugs or controlled substances at any Fraternity sponsored event, or at any event that an observer would associate with the Fraternity, is strictly prohibited. Chapters, interest groups and petitioning groups of Alpha Phi Omega National Service Fraternity shall not use or condone the use of alcoholic beverages as part of their membership recruitment "rush" or pledge education programs. No chapter funds shall be used to purchase alcohol. A violation of this policy shall be deemed a violation of the membership policies of Alpha Phi Omega National Service Fraternity.

Active chapters, alumni associations, and sectional, regional, and national volunteers will indicate their understanding of and compliance with the Risk Management Policy statement on an annual basis. Organizers of Fraternity events will reasonably inform guests (including non-members, alumni, advisors and visiting members) of applicable policies.

RISK MANAGEMENT RATIONALE

The Standard Risk Management Policy is extremely important for a national service fraternity as well as the individual chapters of Alpha Phi Omega. A risk management policy provides the chapters, sections, regions, and National Fraternity with the ability to protect their members, to maintain the high reputation of Alpha Phi Omega, and to assist members in assessing their individual responsibilities.

ESTABLISHMENT OF INDIVIDUAL CHAPTER RISK MANAGEMENT POLICIES

The Standard Risk Management Policy is a minimum policy, which the chapters must follow. Chapters will face unique challenges that will require individual attention. They may choose to adopt a policy above and beyond these standards. This policy is intentionally broad, and it is the intent that chapters individualize, through discussion, the policy beyond the scope of the minimum standards.

The major focus is to educate all brothers in Risk Management. Adoption of this policy will provide a program of education within the chapters, sections, regions and on a national level.

Signing the Standard Risk Management Policy should not be done without careful consideration. It is your affirmation and commitment to the Standard Risk Management Policy. Much time and effort has been dedicated to making this policy as encompassing as possible for all members of Alpha Phi Omega National Service Fraternity.

NATIONAL PLEDGING STANDARDS

The National Convention has adopted National Pledging Standards for use by all chapters. The Standards and their rationales are as follows:

1. The general objectives of pledging. An appropriate period of pledging consists of a well-rounded program of opportunities in Leadership, Friendship and Service. The program is in conformity with the National Bylaws, Standard Chapter Articles of Association, state and federal laws and campus regulations. The purpose of the program is to identify students who will embrace and make a lifetime commitment to the principles of Alpha Phi Omega and to prepare those students for active membership.

Rationale: This is the overall purpose of pledging and reflects the legal obligation of all members of Alpha Phi Omega.

2. Hazing during pledging. An appropriate period of pledging has no place for hazing practices. These include the degradation of individuals, personal service demands, and any other practices inconsistent with the spirit and principles of Alpha Phi Omega.

Rationale: The concept of pledge membership long ago progressed beyond such practices since they violate the member's obligation to state law, the National Bylaws of the Fraternity and the regulations of most campuses. Alpha Phi Omega members respect the worth of human dignity and, in firm support of our heritage of intellectual freedom, do not tolerate unequal or abusive treatment of any person.

3. The length of a pledging period. An appropriate period of pledging should not be less than six weeks or more than ten weeks in duration.

Rationale: Pledge membership and the period of pledging must provide adequate time for pledges to acquire the knowledge and skills necessary to function as active brothers of the Fraternity, and as officers of their chapter, and to develop the commitment for continuing service throughout their collegiate years and beyond. Pledgeship, whether as part of a structured pledge class or through individual contracting, must provide these opportunities but must not last for such a time period as to interfere with other obligations of the pledges.

4. Use of the Pledge Ritual. An appropriate period of pledging begins with the introduction of students into Alpha Phi Omega only by the Official Pledge Ritual and their timely registration with the National Office in the approved manner. Rationale: No person may receive the rights, benefits, and privileges of pledge membership in Alpha Phi Omega until these requirements have been satisfied.

5. Wearing of Insignia. An appropriate period of pledging includes wearing an official Pledge Pin at all times.

Rationale: Chapter Image, on and off campus, is a vital concern of all members, new and old. The prominent and proud display of an Alpha Phi Omega Pledge Pin instills pride through identity with Alpha Phi Omega, signifies the chapter's presence on campus and in the community, and may also habituate all members to proudly wear Fraternity insignia.

6. Instruction in pertinent facts. An appropriate period of pledging includes instruction in the National Bylaws; Standard Chapter Articles of Association; chapter bylaws; chapter officers and advisors; the decision making processes of the chapter; key campus officials; and sectional, regional and national officers of the Fraternity.

Rationale: It is vital for every new member to develop a working knowledge of the operating rules and procedures of the National Fraternity, the individual chapter, and the sponsoring college or university campus. In addition, it is highly advantageous to be familiar with and knowledge-able of future resource personnel on campus, in the community, and within the Fraternity.

7. Alpha Phi Omega heritage. An appropriate period of pledging includes education in chapter, campus and Fraternity history, including our special ties to and relationship with the Scouting movement and our common background.

Rationale: The chapter, the sponsoring college or university, the National Fraternity, and the Scouting movement have rich heritages, which should be shared with all those who follow. An appreciation of this common heritage, bequeathed to all current and future members, is a thing to be cherished.

8. Pledges in chapter meeting. An appropriate period of pledging includes direct observation by pledges of the decision making process of the chapter.

Rationale: Pledges should be given the opportunity to have additional contact with the brothers and to learn more about how their chapter conducts business.

The chapter retains the right to decide what portion and number of its meeting are appropriate for pledges to attend.

9. Interchapter relationships. An appropriate period of pledging includes an opportunity for all pledges to visit one neighboring Alpha Phi Omega chapter. Rationale: One of the most difficult concepts for new members to grasp is the scope of our National Fraternity. The wide acceptance of Alpha Phi Omega, its principles, and the good works of its members span hundreds of campuses. Pledges should have the opportunity, firsthand, to see it functioning on campuses other than their own.

10. The development of leadership. An appropriate period of pledging includes the opportunity for each pledge to participate in chapter planning functions; leadership development experiences; and sectional, regional and national conferences and conventions. Rationale: Our Cardinal Principle of Leadership is often merely assumed rather than developed, and involvement in these opportunities satisfies this need well. Virtually every active brother agrees that conferences and conventions on all levels provide a unique learning experience for all who attend. Conference and/or convention attendance additionally reinforces interchapter visitations by establishing an appreciation for the national scope of Alpha Phi Omega.

11. The promotion of friendship. An appropriate period of pledging includes a requirement that each pledge meet and establish a fraternal relationship with all active, associate, advisory, and when possible, honorary members of the chapter. Rationale: For the newly initiated, fraternalism is often difficult concept to understand because of stereotypes, confusion, or even ignorance. The exemplification of our Cardinal Principle of Friendship and the unique role of collegiate fraternalism are experiences, which, more than any other factor, will determine a pledge's willingness to remain committed throughout the collegiate years and beyond. All members of the chapter grow personally as these relationships are established and fostered.

12. Providing service. An appropriate period of pledging includes a weekly (or other appropriate) service obligation, equal to that required of active brothers to remain in good standing with the chapter. Sufficient projects must be available and all four fields of service should be embraced by the conclusion

of the pledge period.

Rationale: Most people are willing to help others in time of need, but few are willing to make the many personal sacrifices, which a life of service may demand. Our Cardinal Principle of Service is the heartbeat of Alpha Phi Omega, and our fourfold service program encourages the experience of helping all in need, rather than just those who are in time of need. By designing this standard in such a fashion, we demonstrate that no more is demanded of pledges than of their active counterparts and that sufficient opportunity is provided for pledges to demonstrate their commitment to the service program in all four fields. It prepares pledges realistically for participation in the chapter service program as active members and strengthens the foundation for their way of life after graduation.

13. Pledge projects. An appropriate period of pledging requires the planning, organizing and execution of a chapter approved service project of some significance under the leadership of pledge members.

Rationale: A period of pledge membership would be severely limited in effectiveness if it did not provide the opportunity for the development of necessary organizational planning and leadership skills which are required of active brothers in carrying out the service program of their chapter. This standard thus carries a practical necessity while further implanting our cardinal principle of service in each member and deepening a lifetime commitment of serving humanity.

14. Academic obligation. An appropriate period of pledging gives high priority to the academic success of the pledges.

Rationale: Alpha Phi Omega is a collegiate fraternity and has an obligation to both its prospective members and to its sponsoring college or university to insure that the academic experience is both fulfilling and successful, supporting our heritage of educational freedom.

15. The use of "Pledge Books". An appropriate period of pledging includes a requirement that each pledge maintain a permanent record, which documents successful completion of the pledge program requirements, in such form as the chapter may require.

Rationale: Each pledge should be evaluated on the individual achievement of program requirements whether as a member of a structured class or as

an individual fulfilling a personal contract. This permanent record will be an objective source for the evaluation of these accomplishments as well as the likely source of significant personal memorabilia in years to come.

16. The Oath of Loyalty and Service. An appropriate period of pledging includes the presentation and explanation of the Oath of Loyalty and Service to the pledges by the officers supervising the pledge class.

Rationale: A presentation and explanation is needed to assist the pledges in fully understanding the commitments they will be able to fulfill as future resource personnel on campus, in the community, and within the Fraternity.

17. Replenishing Membership. An appropriate period of pledging emphasized the need to continue membership expansion.

Rationale: A good chapter continues to live not only through the service participation of its current members but also through their commitment to perpetuating its programs by extending membership opportunities to similarly dedicated students. This activity also further reinforces our national heritage of freedom of association.

18. Pledge period reviews. An appropriate period of pledging includes at least one opportunity at its conclusion for the constructive evaluation of the program. This evaluation should be made by both pledges and brothers and should cover both individual performances and program goals.

Rationale: Chapter programs succeed not by mere repetition, but through careful reflection upon the successes and failures experienced each time the program is offered. Evaluation is the key to healthy programs, healthy members, and healthy chapters. Evaluation is also necessary to determine the individual successes of pledge members throughout the program. The process should reveal how well they satisfy the program requirements and how well they demonstrate that they are ready for the confirmation of active membership.

19. Method of selection following pledging. An appropriate period of pledging includes objective determinations for eligibility to receive active membership based upon the individual's successful completion of program requirements. The completion by a pledge of all chapter requirements established at the beginning of the pledging experience is a strong indication that active membership may not be denied by the chapter.

Rationale: While the confirmation of active membership is the single greatest power of a chapter, this power must never be used capriciously or arbitrarily. The entire concept of pledging is to provide a complete opportunity for individuals to acquire those skills and that knowledge necessary for active membership, as well as to make a commitment to our purpose and principles. If a chapter enters into “black-balling” or some other abuse of its powers, it defeats the entire purpose of a pledge program and pledging standards. Eligibility for active membership and its rights, benefits and privileges should be based upon an objective evaluation of the pledge’s successful completion of those pledging standards adopted by the chapter. Membership in Alpha Phi Omega is a great honor, earned through hard work, diligent effort and dedication to our principles. It is not based merely on a popularity vote of the other brothers. Any other reason is a betrayal of our high principles of brotherhood.

20. Initiation of neophytes by the Fraternity Ritual. An appropriate period of pledging concludes with the initiation of all qualifying pledges into Alpha Phi Omega only by the Official Fraternity Ritual and by their timely registration with the Fraternity’s National Office in the approved manner. Pledges should be made aware that the Official Fraternity Initiation Ritual contains references to God and a dedication invoking the name of “Our Common God”.

Rationale: The Initiation Ritual of Alpha Phi Omega is both a beautiful and significant ceremony. Its purpose is not to mark the conclusion of pledge membership, but rather to herald the beginning of a lifetime of Leadership, Friendship and Service in Alpha Phi Omega as an active brother. Every Fraternity member shares this common experience and, indeed, may not receive the rights, benefits, or privileges of active membership until these requirements have been satisfied.

ALPHA PHI OMEGA

MEMBERSHIP POLICIES

- I. Pledge Ritual: The Pledge Ritual remains an effective statement of Fraternity policy regarding treatment of pledges during their preparation for active membership.
- II. Initiation Ritual: The Initiation Ritual remains an effective statement of Fraternity policy regarding conduct of members of Alpha Phi Omega.
- III. Other Policies: In addition to statements in these rituals, it is the policy of Alpha Phi Omega that:

A. Membership shall be granted only by brothers of an active chapter or by the National Board of Directors in the case of national honorary membership.

B. Because all people have the potential to be of service and to be leaders and friends, active membership is open to all students and should represent a cross section of the student body. Chapters have the right to determine their own membership. Active membership shall be granted only within the context of the National Bylaws, the Standard Chapter Articles of Association, and the rules and regulations of the school involved.

C. Chapter membership requirements may be adopted that are not in conflict with state and local law, the National Bylaws and Standard Chapter Articles of Association of Alpha Phi Omega, or the rules and regulations of the school at which the chapter is located; and that conforms with the philosophy and policy of Alpha Phi Omega as outlined in the National Pledging Standards.

D. The purpose of a pledge program is to make it possible for pledges to acquire the knowledge and skills necessary to function as effective active brothers of this national service fraternity. Therefore, the ultimate aim of every pledging period is to teach the worth of human dignity, promote academic scholarship, instill a commitment to continuing service, provide

opportunities to participate in leadership development experiences, and cultivate friendship among the pledges and with the brothers. Pledge programs should also ensure that pledges become thoroughly familiar with the principles, ideals and heritage of Alpha Phi Omega.

E. All pledging activities must have an articulate and reasonable positive benefit, be consistent with the principles and spirit of Alpha Phi Omega, and involve no risk of humiliation or injury to any person.

F. Those preparing for active membership are representatives of Alpha Phi Omega. As such, they shall be treated with the same degree of respect as brothers and shall participate in, or be asked to participate in, only those activities that are consistent with the membership policies of Alpha Phi Omega.

Practices that may be inconsistent with the membership policies of Alpha Phi Omega, depending on the facts and circumstances of each, include restrictive formation, dress requirements, and the manner in which pledges are addressed.

Examples of practices that do not meet this standard include:

- 1) Subjection to physical mistreatment such as road trips, kidnapping, paddling, branding, beating, forced activity and confinement of any kind;
- 2) Participation in activities not directly related to their preparation for active membership such as physical conditioning or personal services for active, advisory, alumni or honorary members;
- 3) Participation in activities that restrict such normal social functions as eating, social contacts or personal hygiene;
- 4) Subjection to mentally or emotionally stressful situations as an integral part of their pledge activities;
- 5) Blindfolding, except as part of the Pledge or Initiation Rituals; and
- 6) Subjection to informal ceremonies, traditions, rituals or initiations that are contrary to the policies or Bylaws of Alpha Phi Omega.

Of course, enumeration of these specific activities does not imply that all other practices are consistent with the membership policies of Alpha Phi Omega. All membership activities and pledging requirements must be measured against the criteria set forth in this membership policy.

G. Active brothers are responsible for maintaining chapter membership practices involving any members of the Fraternity, including actives, in strict accordance with the policies of Alpha Phi Omega and its stated purpose in keeping with the principles of the Boy Scouts of America.

H. Advisory, honorary and alumni members of Alpha Phi Omega participate in supporting, but not dominating, roles to active chapters, enabling the active chapters to fulfill the purpose of Alpha Phi Omega. It, therefore, is not the function of members other than active brothers to direct the supervision of pledges or to direct the establishment of pledge or active member programs and policies in any chapter.

I. Chapters, interest groups and petitioning groups of Alpha Phi Omega National Service Fraternity shall not use or condone the use of alcoholic beverages as part of their membership recruitment "rush" or pledge education programs. A violation of this policy shall be deemed a violation of the Membership Policies of Alpha Phi Omega National Service Fraternity.

IV. Enforcement: The National Fraternity, through its National Board of Directors, shall take appropriate action when inconsistencies or infractions of membership policies occur.
