

Alpha Phi Omega

Iota Phi Chapter

LFS Spotlight of the Week

Interview with Scott Lau

Thursday 04/27/13

Spring Fling

The event was a blast! This was an excellent opportunity for APO to be part of. People can get a jist of who we are and what we stand for. There was a lot of team building and socially active activities. Each organization was split into 12 different teams so each team had new people to meet.
