Pandora's Box

"Perhaps most of all, though, you deserve to be okay. You deserve to know that a day in which you can just barely get out of bed because you are sad, or sick, or simply not ready to see the outside is not the end of the world. You deserve to know that moments of weakness do not make you fundamentally weak, only fundamentally human, and that sometimes we're not going to be effusively happy, and that is okay."

-Chelsea Fagan

Dear Rushee,

"The best way to find yourself is to lose yourself in the service of others."
— Mahatma Gandhi

The Brothers of Alpha Phi Omega are all unique; however, we have all come together to share our journey together, growing as leaders and servicing those in need. It does not matter where you are from. What matter is the bond that you will create when you join this fraternity. We sincerely hope that you will accept our invitation to come to our spring rush events and meet the actives that are all proud to say they are a part of **AΦΩ**.

Family System

- The total number of pledges will be divided by 3 to determine the number of pledges per family, meaning that there will be a 1:1:1 ratio. (Example: 30 pledges = 10 pledges per family)
- Pledge Parents or Membership VPs will use a computer generator to randomly choose Alpha and Phi pledges to the Omega family until we reach the 1:1:1 ratio.
