Shelter Partnership, Inc.
Working in partnership to end homelessness...
www.shelterpartnership.org

**JOYFUL
HEART** ❤ **FOUNDATION**

Shelter Partnership, Inc. is a nonprofit organization collaboratively solving homelessness in Los Angeles County through policy analysis, program design, resource development, and advocacy in support of agencies and local governments that serve the homeless.

Through treatment programs like Childhelp Advocacy Centers and Childhelp Group Homes designed to help children already affected by child abuse, and prevention programs like Childhelp Speak Up Be Safe for Educators, designed to educate children and aid in prevention, we can help change the lives of many.

Our mission is to heal, educate and empower survivors of sexual assault, domestic violence and child abuse, and to shed light into the darkness that surrounds these issues.
